Dear Friends:

Thank you!

Over the past six years, we have been able to honor Andrea Harvey's memory by awarding more than **\$12,000** in scholarship to needy and deserving students from East Boston High School (EBHS) and Cambridge Rindge and Latin School (CRLS). Our scholarship awardees have gone on to attend public and private universities within the state of Massachusetts and throughout the country. We applaud their diligence and we are confident that their positive efforts will lead to great success.

We thank those of you who have supported our participation in the Annual Cambridge City Run / Walk. This year the pledges and collected donations by individual runners / walkers, donors' contributions, and the monies to be awarded to us by the City Run/Walk organizers should total close to six thousand dollars. We are so grateful for your support.

Our organization has made great progress this year, reaching a variety of goals. We are proud to announce that we received official designation by the IRS as a 501(c) (3) charitable organization. We also published The Domestic Violence program - Teen resource cards which provides information to help teens recognize when they may be in an abusive relationships and how to seek help. Through the generosity of one of our regular donors, we were able to award \$2,500 to a student graduating from one of our target high schools. Without this assistance the student would not have had an opportunity to attend college. We also raised funds to assist in the creation of a mural to honor Andrea's memory at EBHS. We are very proud of these accomplishments.

Breaking news! This year, we are increasing the number of scholarships we award from two (2) to four (4), \$1,000 scholarships. When reviewing the applicants for the (AHMF) scholarship we recognize more and more a greater need to help many deserving students to accomplish their dreams of getting a college education, we ask for your help once again.

As we come to the end of another year, we are seeking donations to our scholarship fund. On behalf of the Board of the Andrea Harvey Memorial Fund, we ask that you send any amount you can in support of the cause. In the past, individual contributions have been as little as ten dollars and as much as five hundred. *Every* contribution is valued and will assist us in achieving the goals of providing scholarships qualified needy students and promoting domestic violence awareness.

This year we offer the option of contributing online at www.andreaharvey.org or you may mail your contributions to:
